REQUEST FOR EXAMINER INITIALS

Sir:

Applicants respectfully submit a copy of the Information Disclosure Statement previously submitted on 7/25/2007, including the references previously submitted.

The as-filed copy of the IDS including the 1449 and the postcard is enclosed.

The US Patent Office received the IDS on 7/27/2007, as shown by the stamped return postcard (enclosed). The postcard is *prima facie* evidence that the IDS was received (MPEP 503). Furthermore, the \$180 authorized by the submission was deducted from our deposit account. Therefore, since the IDS was timely filed with a fee of \$180, and a certificate of mailing, Applicants respectfully request that the IDS be accorded the date of 7/25/2007, and the Examiner initial the references on the 1449 form, and return that form to Applicant.

Applicants believe that no additional fee is due, since the fee was paid with the original submission. However, if additional fees are due, Applicants authorize the Director to charge any shortages and credit any overages to our Deposit Account No. 02-2666.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
